Interesting. I'm not sure it materially changes our handling of DC inasmuch as I am responding to him as I would to any citizen. I'll continue to copy the city council and mayor on any response we send to DC.

What do you think?

To Whom It May Concern:

As Mayor of Libby, I would like to clear up any confusion concerning Councilperson Orr's statements and e-mails. He does not speak for the city. He is acting on his own behalf as a private citizen with the title of Councilperson. The council is a group of individuals and all actions or decisions they take are as a group.

As far as Councilperson Orr's statements regarding him being Public Safety Coordinator, he has left a few things out. Public Safety/Traffic Coordinator is the name of an advisory committee. This particular committee has only one member – Councilperson Orr. It carries no authority whatsoever.

Again, Councilperson Orr is speaking for himself at this time. There have been no council actions or decisions on any of these matters. The City has not joined in on any actions or statements Councilperson Orr has made to date.

Sincerely,

Doug Roll  
Mayor,  
City of Libby
